

**AWARDS MADE IN THE FIRE GRANTS
PROGRAM DURING FISCAL YEAR 2004**

Institution	PI	Title	Total Award
Univ. of Maryland	S. Raghavan	The Role of Melt Rheology on Polymer Degradation	\$74K
Univ. of Maryland	A. Marshall	Experimental Investigation of Vitiated Flame Behavior and Self-Extinction in Fires	\$109K
Univ. of Maryland	J. Kim	Expansion of a High Temperature Absorption Database and its Impact Radiation Feedback in Pool Fires	\$71K
Univ. of Florida	A. Long	Flammability of Southern Landscape Shrubs: Developing a Method to Assess Plant Flammability	\$6K
Polytechnic University	K. Levon	Flammability Behavior of Nanocomposites	\$75K
The Catholic University	V. Knyazev	Kinetics and Mechanisms of Elementary Reactive Process in Polymer Pyrolysis	\$98K
Nat'l Fallen Firefighters	R. Siarnicki	Workshop to Develop Research Agenda for Firefighter Life Safety	\$85K
